

# **Homemade Laundry Detergent**

## **Ingredients:**

1 box 20 Mule Team Borax

1 box of Super Washing Soda

5-10 bars of Zote soap or Fels-Naptha laundry soap grated

## **Optional Ingredients:**

Oxi clean powder

Fabric softener beads

Essential Oils

## **Directions:**

Thoroughly stir together all ingredients and enjoy clean laundry.

I use a food processor to grate the bar soap. You can a regular had grater or a lemon zester it is extremely fine and dissolves easily.

\* Use 1-2 Tablespoons depending on the size of the load and how dirty.

I Love this detergent. Saves a lot of \$ and is mild on the skin.

Here is a link to a good recipe and picture tutorial.
